

## Primary PE and School Sports Premium Funding 2019/20

### Southbourne Infant School

Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that schools should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

First is a breakdown of the funding, then there is a document with evidence of how we are improving the quality of PE and Sport in our school, to ensure its sustainability, by including the 5 key indicators.

**At Southbourne Infant School we aim to developing and deliver an outstanding PE Curriculum for all children. We celebrate improvements in Staff Confidence, Pupil Engagement, Pupil Progress and the Broader Impact of Physical Education across the school.**

Primary School Sports Premium Awarded		
Total Number of Pupils on Roll	180	
Lump Sum	November 2019 - £10,022	May 2020 - £7,158
