FLU IMMUNISATIONS Wednesday 3rd November

All children are being offered the immunisation (nasal spray) again this year.
This year, you will need to register online if you want your child to be vaccinated, please look out for an email today (Thursday) **If you do not receive an email, please contact the school office.**
We would encourage you to get your child vaccinated and can reassure you that we have a specific Risk Assessment from the NHS to ensure that the process is COVID safe.

LIMITED NUMBERS at OPEN MORNING and STAY and PLAY Sessions

Tuesday 19th October 9-10am
Please note; in order for us to comply with our current COVID Risk Assessment, we are limiting numbers; **one adult only per family** to attend Stay and Play and Open Morning. Thank you very much for supporting us with this request.

Harvest Celebration Thursday 14th October

This year we will be celebrating Harvest at school during our Assembly time. We will be asking for donations of packets or tins of food (non-perishable please) to donate to the Chichester Food Bank, who have been supporting many families, particularly during COVID and the Lockdowns.

Please send in your donations from Monday (11th October)
Thank you very much

Christmas Cards

Today you will receive your child's design for a Christmas card, along with an order form. These cards are a great way to personalise your festive messages to friends and family and to show off your child's artistic skills! The children have loved creating the pictures, and as a bonus, the school receives some money for each pack of cards that is ordered!

Please return orders by Friday 22nd October to ensure delivery in plenty of time for the Christmas post!

ROTARY SHOE BOX APPEAL 2021

Following last year's success, we have been asked by the local Rotary group to take part in their Shoe Box Appeal again. Please spend some time at half term filling a shoe box for disadvantaged children in Eastern Europe.

We are sending home a leaflet today, which explains in more detail what can be put into the boxes; contents do not have to be new or expensive, but will be so gratefully received.

In assembly, I will show the children examples of boxes that I have already filled, to give them some ideas.

Thank you in advance for your generosity.

Please return the boxes straight after half term (week beginning 2nd November), let's see if together we can make a difference to these children!

So much more than Fantastic Food

PE kits and uniform.

Staff are finding that we still have PE kits and other uniform that are not named. It is unfair to expect staff to return jumpers etc to the right child if they are not named, and changing for PE is incredibly difficult for everyone when so many kits are not named. **Please, please, please** help us to help your children to be as independent as they can be, by naming all items of uniform, including coats.

Thank you
