SEND Newsletter - Summer Term 2022

Welcome to the first edition of the Southbourne Infant School Special Educational Needs and/or Disabilities (SEND) Newsletter! We hope you and your families had a great Easter break and are ready for the new and exciting term ahead.

## Where can I go for support and advice?

Mrs Sherlock, our SENCO, is available to discuss any questions or queries you have about your child's SEND needs but there are also many different services that parents and carers can access to get support and advice for children with SEND.

## West Sussex SENDIAS

(SEND Information, Advice and Support)

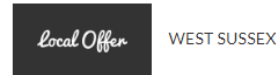

Service provides information, advice and support to children and young people who have special educational needs and/or disabilities and to their parent carers. Their service is impartial and confidential. On their website you can find lots of information about them and how they can support you. They also have a number of resources you can look at or download.
