Website: www.southbourneinfants.co.uk

Headteacher: Mrs. L. Whiffin, BEd (Hons)

Dear parents and carers,

The Governors of Southbourne Infant and Junior Schools are writing to inform you that we will be extending the length of the school day from **September 2023**. It is a Department for Education expectation that a school day is 32.5 hours per week, regardless of the length of time for lunch and number of set breaks.

Southbourne Infant School - The infant school day from September 2023 will be:

8.40am Drop off

8.45am Registration in class

3.15pm Pick up

Southbourne Junior School - The junior school day from September 2023 will be:

8.45am Drop off

8.50am Registration in class

3.20pm Pick up

We have ensured there are staggered start and finish times between schools to provide parents and carers with the opportunity to travel between the sites and drop off points.

Thank you for your continued support with your children's education.

Kind regards

Mrs L Whiffin and Mrs L Gasser
