

Dear Parents,

Our topic this half term is 'Titanic'. We will be having a Titanic day on Friday 10<sup>th</sup> November. We would like the children to dress up in a costume from 1912 (first or third class) to fully embrace the era in which the ship was built and sank. We understand that this only gives you just over a week to source a costume but please don't over think this. A costume can be put together from things you have at home or charities shops are always worth a look!

Thank you for your continuing support.

Year 2 team
